12 June 2026

Exeter Excellence Scholarship offer

To: Jubair Ibn Omar Hamza
Reference no : 760075852
Date: 12/Jun/2026
Programme Name : MSc Renewable Energy Engineering at University of Exeter Penryn Campus, Cornwall

Dear J Hamza,

Thank you for applying for an Exeter Excellence Scholarship to support your study at the University of Exeter in 2026/27. Your application has been considered by our panel and we are delighted to confirm that we are offering you a £2,500 award.

Your award will be reserved for you and will be applied as a reduction in your tuition fees at enrolment, subject to the following:

- Satisfying all conditions (if any) attached to your offer, including payment of your tuition fee deposit (if not already paid).
- Registering as an international student for fees purposes on MSc Renewable Energy Engineering in the 2026/27 academic year. Information about how to complete online registration will be sent to you approximately 4 weeks before the start of the course.

We will assume that you wish to accept this award unless you tell us otherwise. If you wish to decline this scholarship offer then please confirm this by sending an email to admissions-scholarships@exeter.ac.uk. Please note that the value of the award offered to you is non-negotiable and any requests to increase it will be declined.

We look forward to welcoming you in September - in the meantime please ensure you read the important information at the bottom of this email and if you have any questions about this scholarship then please contact us by email at admissions-scholarships@exeter.ac.uk

Yours sincerely,

International Scholarship Team
University of Exeter

IMPORTANT INFORMATION

These scholarships are intended for self-funded students.

If your tuition fees will be financed by an external body (such as an overseas government or Chevening, Commonwealth or a partner Institution) with whom the University has a shared financing agreement then this award may be invalidated or superseded with a different fee arrangement.

It is your responsibility to inform us if you are in receipt of any external funding prior to enrolment; please email a copy of the award letter to admissions: pg-ad@exeter.ac.uk

You cannot normally receive more than one scholarship (tuition fee discount) from the University of Exeter; if you are eligible for multiple scholarships, then you will be awarded whichever scholarship has the higher value. However, the following exceptions apply for one year of study (2026/27 academic year):

- The Exeter Excellence Scholarship can be combined with a University of Exeter Postgraduate Taught Scholarship 2026/27 for Bangladesh, Canada, China (mainland), India, Indonesia, Japan, Malaysia, Nepal, Pakistan, South Korea, Sri Lanka, Taiwan, Thailand, Türkiye or Vietnam to a maximum award value of £10,000. (If the combined value of these two scholarships would exceed £10,000 the value of the Exeter Excellence award will be reduced to stay within this limit).
- Applicants who are joining in 2026/27 through an institutional progression agreement where a partial tuition fee discount is applied can also receive an Exeter Excellence Scholarship, subject to a maximum award value of £10,000.

If you defer your 2026/27 offer or change fee status, then your scholarship offer will be invalidated.

If you transfer to an ineligible programme, then your scholarship offer will be invalidated.

In the event that you withdraw or interrupt your studies post enrolment then the University Finance regulations at that date will apply as regards any repayment or other requirements: http://www.exeter.ac.uk/students/finance/studentfinanceregulations/

The full terms and conditions for this scholarship can be found here.
