Grading System:

The performance of a student in a given course is made through continuous evaluation that comprises quizzes/ in-course tests, class participation, attendance, home work/assignment, case study, mid-terms and trimester final examinations. Letter grades and grade points are used to evaluate the performance of a student in a given course. The table below shows the grading policy.

Letter Grade	Grade Point	Marks (%)
A	4.00	90-100
A-	3.67	86-89
B+	3.33	82-85
B	3.00	78-81
B-	2.67	74-77
C+	2.33	70-73
C	2.00	66-69
C-	1.67	62-65
D+	1.33	58-61
D	1.00	55-57
F	0.00	Less than 55

Calculation of GPA/CGPA:

Grade Point Average (GPA) is the weighted average grade of a trimester while Cumulative Grade Point Average (CGPA) is the weighted average of the grade points obtained in all the courses completed by a student along with last trimester. For example, if a student passes/completes four courses in a trimester having credits of C_1, C_2, C_3, C_4 and C_n and his/her grade points in these courses are G_1, G_2, G_3, G_4 and G_n respectively then:

$$\text{GPA and CGPA} = \frac{\sum_{i=1}^{n} C_n G_n}{\sum_{i=1}^{n} C_n} = \frac{C_1G_1 + C_1G_2 + C_3G_3 + C_4G_4 + \cdots + C_nG_n}{C_1 + C_2 + C_3 + C_4 + \cdots + C_n}$$

Earned Credit Hours

The course in which a student has obtained "D" or higher grade will be counted as earned credit hours. Any course in which a student has obtained "F" grade will not be counted towards his/her earned credit. In that case he/she will have to retake the course.
