Subject: Recommendation for Mr. Jubair Ibn Omar Hamza – GTA Position

Dear Sir,

It is my pleasure to recommend Mr. Jubair Ibn Omar Hamza for the position of Graduate Teaching Assistant (GTA) in the Department of Electrical and Computer Engineering at North South University. I have taught him in EEE 362: Power Systems (undergraduate) and EEE 552: Smart Energy Systems (graduate), where he earned excellent grades (A) and demonstrated strong analytical ability, intellectual curiosity, and commitment to academic work.

In addition to his strong academic record, he is currently serving as a Lab Instructor in our department, a role that has provided him with valuable teaching experience and makes him a strong candidate for the GTA position. He also actively volunteers in research at the NSU Cyber-Physical Systems (CPS) Lab, where he has demonstrated strong learning ability, dedication to research, and an exceptional work ethic.

I strongly support his application for the GTA position in our department and am confident that he will contribute significantly to both the teaching and academic environment at NSU.

Sincerely,

Dr. A.S.M. Jahid Hasan
Assistant Professor
Department of Electrical and Computer Engineering
North South University, Dhaka, Bangladesh
