Testimonial

This is to certify that **Jubair Ibn Omar Hamza**, ID# **1911226043**, son of Omar Faruke Siddique and Ayesha Siddiqua, has been a student of North South University in **Bachelor of Science in Electrical and Electronic Engineering** program from the Spring semester 2019 to the Spring semester 2023. Bachelor of Science in Electrical and Electronic Engineering is a 130-credit hour Bachelor's Degree Program generally of a 04-year duration and he has completed 133-credit hour.

To the best of my knowledge and belief **he did not take part in any activity subversive to this university or the state or adverse to discipline** during his stay in this university and he bears a good moral character.

I wish him all success in life.
